BOOKING A WEDDING CAKE

1

Fill out the wedding enquiry form to see if we have the date available and to align on your vision and your budget. Reserve your date with a one-hundred pound booking fee.

2

We'll ask you to fill out a pre-consultation form to make sure we can make the most of our time together. At this point you can also choose which flavours you'd like sample during the consultation.

3

It's consultation time. Enjoy your samples if you haven't already, whether we are in person or on Zoom, we'll discuss all the details of your big day.

4

Receive your design and quote from us. You've already secured your date, now it's time to pay the thirty percent non-refundable deposit, and leave the rest to us!

5

Final payment is due one month before the wedding. At this point we will be in touch to reassure you all is in hand.

6

The big day is here. Unless otherwise agreed, we will deliver and set up your cake the morning of the wedding. Enjoy your day and savour every moment!

CONSULTATIONS & SAMPLES

We understand that some couples may not want to secure a date before sampling our delicious cakes. So we have a couple of options below.

SAMPLE BOXES can be purchased from our online bakery for thirty pounds, plus delivery.

PAID CONSULTATIONS can be booked using our online consultation form. They are charged at fifty pounds and include the pre-consultation form, sample box of six slices, and a sixty-to-ninety minute consultation as described above. After having the consultation, should you wish to book a wedding with us, the cost of the consultation will be removed from your quote.
